"From Soil to Sky - Stories for Storytelling"

One-day Training Program on

LEADERSHIP EXCELLENCE: THE VISIONARY EXECUTIVE

Contents of the Program:

Leadership Fundamentals | Defining Leadership Vision, Mission & Values | Leadership in Business and People Management | Exploring Leadership Styles | Distinguishing Leadership from Management | Leading by Personal Example | Situational and Influential Leadership | Fostering a Performance-Driven Work Culture | Leading Across Generations: Gen X, Z & Alpha | Multifaceted Roles of a Leader | Navigating Leadership Challenges | Mastery in Leadership Excellence

Program Objectives:

- **Develop Profound Leadership Skills:** Equip participants with a deep understanding of leadership principles, styles, and strategies, enabling them to become effective and adaptable leaders in various situations.
- **Bridge Generational Leadership Gap:** Provide leaders with the knowledge and tools to lead, inspire, and manage diverse generational cohorts, fostering cohesion and productivity within the workforce.
- **Cultivate a Performance-Driven Culture:** Empower leaders with the skills to create and sustain a high-performance work culture, where teams are motivated, engaged, and consistently deliver exceptional results.

Who can attend?
